

New Volunteer Background Check Link:

Thank you for attending AHTN's Volunteer Orientation. We are excited to have you apart of our AHTN Team! There are just a few more steps needed to complete for you to become a Volunteer with us. Next you will need to complete the background check that was talked about at the orientation. You are not able to begin working with AHTN until this is done.

Please click this link:

<https://peportal.secure.force.com/eap?packageid=PS871>

Please answer all the required questions from a PC/ MAC, this only takes a few minutes. *(This site is not compatible from a cell phone)* Once completed, please allow 24-48 business hours for an email confirmation that you are able to start registering for Volunteer Positions/Opportunities. Should you not get a confirmation email please contact our Volunteer Coordinator, Hilary Walp at Hwalp@ahtn.org

All our Volunteers register for open positions on the days/times that fit their schedules through our Volunteer Hub. You can access our volunteer hub here: <https://ahtn.volunteerhub.com/events/index> to find our current open positions. There is also a Volunteer Hub Icon at the bottom of our website (front page) that you can click on as well.

Code Blue positions are posted for our entire Code Blue Season by the middle of November. Please remember that when you register for any of our code blue positions, your services will only be needed in the event that "Code Blue" is called. Registered Volunteers will be contacted via email/text message to let them know Code Blue will take place that evening.

Again, we want to say Thank You for your time. We are really looking forward to having you on our AHTN Volunteer Team!
